## Professional Summary

Future business graduate with hands-on experience in data modelling and marketing analytics across academic, organizational, and internship roles. Strong in Excel, Python, and Power BI, with the ability to turn structured data into actionable insights, streamline processes, and support business decisions through clear, data-backed analysis. Also experienced in documentation, KPI tracking, performance evaluation, and developing structured approaches to business problem-solving. Comfortable bridging analysis with execution, and interested in using data to drive more effective operational and commercial decisions.

## Relevant Experience

*April 2026 – Present*

**TikTok (ByteDance)** *Jakarta, Indonesia*  
*Data Support Project Intern*

- Performs analysis on media agencies performance (handled big 6 (WPP, Publicis, Havas, Dentsu, Omnicom, and IPG) and china agencies) during campaign and normal days.
